### BY THE DEVELOPMENT COMMISSIONER, GUJARAT STATE, GANDHINAGAR

### Notification

No. KPV/1/SPN/P.4.— Whereas in the opinion of the Development Commissioner, Gujarat State, Gandhinagar Fotdi Village Panchayat in Bhuj Taluka of Kautch District has failed to its primary duties imposed on it under the provisions of the Gujarat Panchayats Act, 1993.

And whereas an opportunity was given to the said Village Panchayat to render an explanation as to why action should not be taken against it under section 253 of the said Act by giving show cause notice.

And whereas the said Village Panchayat has failed to render any satisfactory explanation against the proposed action.

And whereas the Special Meeting of Executive Committee of District Panchayat, Kutch has opined to dissolve the said village panchayat vide its resolution No. 14/3 dated 12/6/2013. After careful consideration of the records and representations made in this case, I have come to the conclusion that the said Village Panchayat is incompetent to perform the duties and functions imposed on it.

Now, therefore, in exercise of the powers under sub-section (1) of section 253 of the Gujarat Panchayats Act, delegated to the Development Commissioner under the Govt. Notification Panchayat and Rural Housing Department No. KP/191/of/1994/DEL/1094/1246/J dated 26<sup>th</sup> July, 1994, I, A. K. Rakesh, I.A.S. ## **PUBLIC WORKS DEPARTMENT**

# **GENERAL PRINCIPLES**

Where no account rules, procedures, principles or form for the regulation of any particular transactions exists in these rules, procedures, principles, forms, etc. laid down by the Gujarat Public Works Manual and the various orders of the Government of Gujarat issued from time to time shall be followed, mutates mutandis, in so far as they are not inconsistent with the provisions of these rules as well as the provisions of the Act. Necessary modifications to the wordings in the forms, etc. are however permissible e.g. in place of Governor of Gujarat/Government of Gujarat, the name of the District/Taluka/Village Panchayat, etc. may be adopted as the occasion demands.

- 92. In financing any work, the panchayat shall consider whether it is possible to provide the full requisite amount in one year. If for want of funds, the full amount cannot be provided for in one year for the work, the panchayat shall, in consultation with the Engineer, fix a programme as regards the items, which can be examined every year. In fixing the programme, care shall be taken to see that the items to be executed are not damaged and the amount spent on them is not wasted.
- 93. Repairs shall ordinarily be given precedence over original works. Adequate provisions shall be made for the due execution of the works in hand at the close of the previous year. Past expenditure shall not be allowed to be wasted by neglect to maintain the existing work or to complete the unfinished works.
- 94. In order to enable the panchayat to make adequate provisions to unkeep the existing works, the Engineer or Secretary of the Panchayat shall submit a proposal containing details of his full requirements for the year, in the month of December. Whenever necessary he may submit proposal for reappropriation of allotments sanctioned for one work to another, explaining the necessity for such reappropriations and the effect if such reappropriations are not made.
- 95. The sanction accorded to current repairs estimates shall lapse at the end of the year; but the sanction accorded to special repairs or original works shall continue in force till the repairs or works are completed.
- 96. The sanction accorded or the allotment of funds shall continue in force till the end of the year to which it pertains. In the case of original works and special repairs however, the Public Works Committee or the panchayat may, after calling for a statement of incomplete works at the end of the year and of the probable amount required for completion, sanction a re-allotment of that amount so that the works may be proceeded within the next year. Such sanctioned re-allotments shall be included in the first supplementary budget.

# PREPARATION OF PLANS AND ESTIMATES

- 97. (1) For every new item or work of repairs, detailed plans and estimates shall be prepared by the Executive Engineer or other qualified officer and shall be approved and sanctioned by the panchayat and necessary provision there of shall also be made in the annual budget. In the case of emergency, the panchayat may give relaxation and works costing up to Rs.500/- may be permitted to be carried out immediately, but estimates shall be prepared and sanctioned by the panchayat at the earliest possible date thereafter and shall be included in the supplementary budget estimates or by reappropriation of funds.
  - (2) The estimate for each work shall bear an endorsement of sanction quoting the number and date of the resolution of the panchayat under the signature of the Sarpanch or the Engineer in charge of the work, as the case may be.
  - (3) The estimates shall be prepared in Form Nos. 8 and 9. The Executive Engineer may however make additions or alternations in the headings on the face sheets according to requirements. In preparing the estimate, the instructions given in the Public Works Department Hand Book shall as far as practicable be followed.
- 98. A schedule of rates for each kind of work, labour materials etc., shall be prepared every year in the month of January on the basis of the rates prevailing in the areas of the district and maintained separately for works, materials and labour in Form No. 10 by the Executive Engineer and got approved by the panchayat before the month of March every year. So that it may serve as basis for the preparation of the plans and estimates for works etc. proposed to be executed in the following year. The Schedule of rate of State R & B divisions shall be applicable to panchayat R & B divisions and scheduled of rates of State Irrigations divisions shall be applicable to Panchayat irrigation divisions. It shall be kept up to date corrected to be a trustworthy record of the rates at which, the work is actually being done. This shall be

- applicable to all panchayat works undertaken by any panchayat under the same district panchayat.
- 99. The estimates shall provide for the complete work and not piecemeal work. The cost of the work shall generally be calculated at the rates given in the Schedule of rates and if for any reason these rates are not considered adequate and higher rates are necessary, a detailed statement maintaining, the procedure through, which the rates entered in the estimates are arrived at shall be appended to the estimate in order to enable the sanctioning authority to approve the higher rates.
- 100. All incidental expenditure, which can be foreseen shall be provided for in the estimate. Necessary, provision may be made to the extent of five percent of the total charges for unforeseen contingencies. The provision for unforeseen contingencies shall not be diverted to any new item not provided for in the estimate without the sanction of the authority, which sanctioned the original estimates.
- 101. The annual repair estimates for buildings shall also provide for rates and taxes payable in respect of buildings and for pay of the watchmen or keepers if any.
- 102. Annual repair estimates for roads shall be based on a kilometer rate varying according to the nature of road, nature of region through which it passes and the importance of the road for traffic. The kilometer rate shall be fixed by the Executive Engineer.
- 103. When the original estimate is likely to be exceeded by more than ten percent for any reason or when a change of design or plan is necessary, a revised estimate shall be prepared as soon as the necessity arises and before the completion of the work necessary sanction of the panchayat shall be obtained and noted in the estimate of such work.
- 104. If a work is abandoned after partial execution and it proposed to be taken up again, a fresh estimate needs not be prepared if the remaining work is to be carried out at the risk and cost of the previous agency.
- 105. Deviations (Form No.11) from the sanctioned estimate and extra items which do not necessitate the preparation of revised estimate may be carried out with the sanction of the Panchayat. Such deviations and extra items shall however be shown in a statement to be kept on record with the sanctioned estimate. Where the necessity arises for the preparation or revised estimates, the sanction of the panchayat shall be obtained and shall be noted in the estimates under the signature of Sarpanch or Officer.

# APPROVAL OF ESTIMATES

- 106. Subject to the provisions contained in rule 91, previous sanction under the Gujarat Panchayat (Execution of Works and Development Schemes and Grant-in-aid and Acquisition of property) Rules, 1995 shall be obtained.
- 107. The authority in report of an estimate under the approval for any original work shall be strictly limited and precise to the object for which the estimate is intended to provide. Any anticipated or actual saving on an approved estimate shall not be applied to carry out additional work not contemplated in the original plan and estimate for that work.
- 108. No work shall be commenced without obtaining the proper authority. An order to prepare an estimate is no authority for execution and no work shall be commenced or expenditure incurred in connection with until funds are provided. A separate muster roll shall be maintained as fare as practicables for each work, which has been separately estimated. All forms of the muster shall bear the name of the work or works for which the muster is issued and shall be numbered, sealed with the panchayat seal and signed by the Executive Engineer or Deputy Executive Engineer or Sarpanch, as the case may be, before issue. An account of such forms issued shall be maintained in the office.
  - b. The muster being the initial record of the labourers employed each day, on a work it shall be written up daily by the subordinate deputed for the purpose. It shall be duty of the employee maintaining the muster to make necessary entries therein daily.
- 111. Morning reports (Form No.13) showing the number of labourers employed on each work on each day as far as possible be sent to the Engineer concerned or Sarpanch, as the case may be. These reports shall be used to check up the muster rolls when presented for payment. Labour employed daily may be checked as practicable by the Engineer, in-charge of the work or Secretary and Sarpanch, as the case may be.
- 112. Whenever the muster is closed, the work turned out shall be measured. The description of the wok shall be lucid so as to admit of easy identification and check. Where the work turned out is not susceptible of detailed measurement, such measurements may be dispensed with and the payments may be made on the certificate of the Officer-in-charge of the work to the effect that the work turned out is commensurate with the amount spend thereon.
- 113. A. Rate lists in Form No. 14 shall be sanctioned by the district panchayat. The rates allowed shall not ordinarily exceed those provided in the estimates. If higher rates are sanctioned for any item of work, the Executive Engineer shall record on the sanctioned rates lists, the reasons for sanctioning the higher rates. A copy of the list of sanctioned rates shall be supplied to the Accountant.
  - b. Work estimated to cost Rs.5000/- and less shall only be carried out on rate list. Spliting up of work by preparing more than one estimate of a work to bring down the cost of each estimate below Rs.5000/- and execution of work on rate list shall be avoided.
- 114. (1) When a work is to be done by piece-work, only a rate shall be agreed upon with a particular individual without any reference to the total quantity of work to be completed. The rates shall not exceed those in the sanctioned estimates. If petty works are to be carried out as job work, the detailed rates or quantities need not be mentioned.
  - (2) For execution of work on piece-work agreement, the procedure prevailing in R & B Department and N and WRD be followed.
- 115. Tenders in the prescribed forms as in the Government Public Works Department shall be invited publicity for all works given out by piece work or otherwise in such manner as the Executive Engineer may deem suitable.

- 242. All works of first construction shall be called "Original Works". All original works estimated to cost Rs.20,000/- or more shall be termed major works and all other works shall be termed minor works.
  - 243. In addition to the register of works, a detailed works ledger shall be maintained in the Panchayat Office for all major works. The quantity and the cost under each head or sub-head of work as shown in the estimate shall be entered in the columns. As soon as bills are passed for payments, the items and amounts billed for shall be entered in the appropriate columns and the total expenditure shall be shown at the end.
- 244. The total allotment for the year for each work shall be noted at the top of the page and any additions or reductions made during the year shall be noted with the authority therefore. If supplementary estimates are sanctioned, the item of sub-heads shall be entered below those of the original estimates and both shall be totaled.
- 245. When a revised estimate is found necessary, the record of the original estimate shall be closed and the revised estimate shall be entered on a fresh page, a cross reference being given to the pages on which the original and revised estimate are noticed.

The ledger shall be provided with an index.

14

X

246. A similar ledger shall be maintained by the Deputy Executive Engineer for all minor works. Where there are no sub-Division officers, the ledger for all minor works shall be maintained in the panchayat office.

### **ACCOUNT OF TOOLS AND PLANTS**

- 247. The Account of Tools and Plants (Form No.29 to 31) shall consist of 4 sections -
- Tgols and Plants
  - (b) Office furniture
  - (c) Surveying and Mathematical Instruments, and
  - (d) Books and Maps

And shall be maintained in the office of the Executive Engineer in the prescribed Forms. A separate page or pages or part of a page shall be set apart for each article according to requirements. Receipt and issues shall be entered in the forms prescribed. Transfers between subordinates or temporary transactions shall not find a place therein. In April, every year, the Executive Engineer shall issue a certificate under his signature as under and the certificate shall be made available for audit along with the ledger:

"Certified that the stocks (a), (b), (c), (d) on 1<sup>st</sup> April with the several subordinates have been verified by me or my subordinates and the total stock corresponds with the closing balance of last year as shown in the ledger in my office".

The Executive Engineer shall make his own arrangements for getting statements, returns and other documents from his subordinates who are entrusted with the custody of these articles.

248. A manuscript register shall be maintained in the Executive Engineers' office to show the rent recovered from contractors and others for the loan of tools. This shall also be available for audit.

### ROADSIDE MATERIALS (METAL, SAND, MURUM AND RUBBLE)

A consolidated register "Register of Road Materials" in Form No.32 shall also be maintained. Two horizontal lines shall be left for each kilometer the top line for entering the quantities and the second line for entering the bill number in support of the transaction. As bills are audited, notes of transactions appearing in the bills shall be taken by the clerks in a manuscripts book and at the end of the month these notes shall be verified with returns (showing the receipts and issues with the authority in support thereof) received from the subordinates. The correct entries for the month shall then be made in the consolidated register. In April every year, a statement showing the road side materials in his charge on 1st April shall be obtained from each subordinate with the following endorsement:

"Actually checked on roadside and found correct". Such statement together with the consolidated register shall be made available for audit.

### **MATERIALS CHARGER TO WORKS**

250. A consolidated register "Register of materials at site" (Form No.32) shall also be maintained a separate page being set part for each work in which there are transactions. Two horizontal lines shall be left for each materials, the top line for entering the quantities and the second line for entering the bill number in support of the transactions appearing in the bill shall be taken by the clerks in a manuscript book and at the end of the month, these notes shall be verified with returns (showing the receipts and issued with authority in support thereof) received from the subordinates. The correct entries for the month shall then be made in the consolidated register.

251. In April every year, a statement showing the materials in his charge on 1<sup>st</sup> April shall be obtained from each subordinate with the following endorsement:

"Actually checked and found correct".

Such statements together with the consolidated register shall be made available for audit.

### SURPLUS MATERIALS

- 252. All materials remaining after completion or abandonment of works or which have come out of works under demolition shall be taken back to stock or transferred to other works.
- 253. These materials can be used for other works under the orders of the Executive Engineer by debiting the cost thereof at current market rates (to be fixed by the Executive engineer) in each work so used. Statements showing the adjustments to be made shall be sent by the Executive Engineer to the Accountant. These shall be made available for audit. If an estimate specifically provides for the use of these materials, no adjustments are necessary beyond showing the issue.
- 254. In April each year, the Executive Engineer and engineer in-charge of Taluka panchayat and Sarpanch shall ascertain the extent of surplus materials and issue the following certificate:

"Certified that the stock of surplus materials on 1<sup>st</sup> April with the several subordinates has been verified by me or by my subordinates and the total stock corresponds with the closing balance of last year as shown in the ledger in my office".

The Executive Engineer or Taluka Development Officer of Sarpanch shall make his own arrangements for getting statements, returns and other documents from his subordinates who are entrusted with the custody of these articles.

### **STOCK**

- 255. Materials brought and kept in stock for general use on works the cost of which can not for any reason be charged direct to any works, shall be called "Stock" and they will be shown on the Stock Register. A lump sum provision shall be made once a year by the panchayat for the purchase of stock and the value of stock shall not at any time exceed this amount.
- 256. The value of the stock purchased shall be treated as an advance and the advance recouped as the stock issued on works is adjusted. The value of stock in hand shall tally with the balance of the advance outstanding. The figures shall be so tallied every quarter or earlier if possible.
- 257. A consolidated stock register may be maintained in the Executive Engineer's Office in the Form prescribed. Necessary details shall be given to show the purchase rate of each article. Receipts and issues shall be entered in the prescribed registers.
- 258. These materials can be used on works by debiting the cost thereof at purchase rates to the work and giving credit to the tools and plants and when they are so used, a statement showing the adjustments to be made shall be sent by the Executive Engineer to the Accountant. Such statement shall be made available for audit.
- 259. In April, the Executive Engineer or Engineer in charge of Taluka panchayat and Sarpanch shall issue a certificate under his signature as under and this shall be made available for audit, along with the ledger:

"Certified that the balance of stock on 1<sup>st</sup> April with the several subordinates has been verified by me or by subordinates and the total stock corresponds with the closing balances of last year as shown in the ledger in my office".

X

The Executive Engineer of Taluka Development Officer or Sarpanch shall make his own arrangements for getting statements, returns and other documents from his subordinates who are entrusted with the custody of these articles.

### **REGISTER OF IMMOVABLE PROPERTIES**

The Register of Immovable properties (From No.73) shall be maintained in three parts—one for lands, one for buildings and one for water works. The register of reads: (Form No.74) shall be divided into two parts, for metalled roads and the other for unmetalled roads. In the case of register of lands, the purpose of which the land is required shall be noted. Annual income, if any, derived from the land shall be shown in the register. When new works are completed they shall be entered in the appropriate register with the cost thereof and the entries shall be initialed by the Executive Engineer. At the close of the year, a certificate shall be recorded in the register under the signature of the Executive Engineer stating that the properties are in working order and are being used for the purpose for which they were intended. In the case of existing properties, the original cost of valuation made by the Executive Engineer as well as the additions made to them from time to time or any increase in value shall be noted in the register.

### **REGISTER OF SECURITIES**

261. The register of securities (Form No.75) shall show the name and designation of the Officer or servant who has furnished security, the amount and the nature of security, the date on which the bond, if any is executed, the names of sureties and also the results of enquiries made by the Secretary regarding the existence and solvency of the sureties every year.

### PETROL ACCOUNT AND MOTOR VEHICLES ACCOUNT

262. An account shall be maintained for petrol/diesel purchased and kilometers run by the motor vehicles etc. in Form No.76 and Form No.77 and also log-books should be maintained and written up for all Motor vehicles as in Government Departments.

### **AUDIT OBJECTIONS**

263. Secretary of the panchayat shall attend promptly to all objections and orders communicated to him by the Auditor or the Accountant General. It is his personal responsibility to ensure that objections are settled satisfactorily and very expeditiously. Special care should be followed in respect of such objections as involve the possibility of recurring loss being incurred unless quick remedial action is taken to prevent it.

# PANCHAYAT ACCOUNT FORM NO.33 (See Rules 153 to 158)

Budget Estimate of Taluka/District

Panchayat for the year 20 - 20

Note:

In preparing the budget estimates, attention shall be given to sections 138 and 163 of the Act and Rules 153 to 158 and the following points:

- What is expected to be paid (under proper sanction) during the year should be provided for, but not the liability falling due with in the year.  $\subseteq$
- For fixed charges, the detailed estimates should show the full amount of sanctioned limit, where it is found by experience that saving will arise from any cause, a lump deduction may be made. (7)
- Where there is any abnormal excess or deduction in budget estimates of income or expenditure, it shall be explained with short reasons. <u>ල</u>
- The Budget estimates in respect of state functions transferred to Panchayat shall again be divided into Plans Schemes and non-plan schemes. 4
- Every year, demand number for the state grant shall be shown as per Government budget and it should be confirmed from respective head of Department (2)

## BY THE DEVELOPMENT COMMISSIONER, GUJARAT STATE, GANDHINAGAR Notification

No. KPV/7/SPN/P.4.— Whereas in the opinion of the Development Commissioner, Gujarat State, Gandhinagar Chadasana Village Panchayat in Becharaji Taluka of Mehsana District has failed to its primary duties imposed on it under the provisions of the Gujarat Panchayats Act, 1993.

And whereas an opportunity was given to the said Village Panchayat to render an explanation as to why action should not be taken against it under Section 253 of the said Act by giving show cause notice.

And whereas the said Village Panchayat has failed to render any satisfactory explanation against the proposed action.

And whereas the General Body of District Panchayat, Mehsana has opined to dissolve the said village panchayat vide its resolution No. 108 dated 20/6/2014.

After careful consideration of the records and representations made in this case, I have come to the conclusion that the said Village Panchayat is incompetent to perform the duties and functions imposed on it.

Now, therefore, in exercise of the powers under sub-section (1) of section 253 of the Gujarat Panchayats Act, delegated to the Development Commissioner under the Govt. Notification Panchayat and Rural Housing Department No. KP/191/of/1994/ DEL/1094/1246/J dated 26<sup>th</sup> May, 1994, I, Pankaj Joshi, I.A.S. #### જાહેરનામું

ગુજરાત પ્રોવિન્શિયલ મ્યુનિસિપલ કોર્પોરેશન અધિનિયમ-૧૯૪૯ના પ્રકરણ-૧૮ની આરોગ્ય રક્ષણ સંબંધિત જોગવાઇઓ કલમ ૨૯૦ થી ૨૯૭ "કચરો કાઢવા તથા સાફ કરવા" અન્વયે જાહેરનામું.

જા.નં.ગાં.મ.ન.પા./સો.વે.મે/પ૧૦૬/૨૦૧૪ તા. ૧૯-૮-૨૦૧૪.-ભારત સરકારે પર્યાવરણ (સુરક્ષા) અધિનિયમ-૧૯૮૬ હેઠળ સોલીડ વેસ્ટ મેનેજમેન્ટ-૨૦૦૦ અન્વયે સરકારશ્રી તરફથી ગાંધીનગર મહાનગરપાલિકા વિસ્તારમાં જાહેર સફાઇની કામગીરી સોંપવામાં આવેલ છે. જે માટે સાર્વજનિક જગ્યાઓ તેમજ ખાનગી મિલ્કતોમાંથી ઉત્પન્ન થતા કચરાના નિકાલ માટે ગાંધીનગર મહાનગરપાલિકા કચેરી તરફથી જરૂરી વ્યવસ્થા ગોઠવવામાં આવેલ છે. પોતાના ઘરમાંથી કે દુકાનમાંથી ઉત્પન્ન થતા કચરાના વ્યવસ્થિત પાત્રમાં એકઠો કરી રાખવા એ દરેક વ્યક્તિની ફરજ છે. પરંતુ એવું જણાઇ આવેલ છે કે અમુક વ્યક્તિઓ પોતાના ઘર/દુકાન/હોટલ/રેસ્ટોરન્ટ/લારી-ગલ્લા વગેરેમાં કચરો વ્યવસ્થિત પાત્રમાં એકત્રિત કરી રાખવાને બદલે જાહેર રસ્તા ઉપર ખુલ્લામાં નાખવામાં આવે છે. જેના કારણે જાહેર આરોગ્યને હાનિ પહોંચે તેવો ભય ઉત્પન્ન થાય છે. ઉપરાંત આવો કચરો, હવા વગેરેના કારણે ઉડીને અન્ય જગ્યાએ જતાં ગંદકી અને અસ્વચ્છતાનું વાતાવરણ સર્જાય છે. જે માટે કચેરીએ આવી ગંદકી/કચરો દુર કરવા માટે અને મુળ પરિસ્થિતિ કાયમ કરવા માનવશક્તિ/વાહન વગેરેનો ખર્ચ થાય છે. સોલીડ વેસ્ટ મેનેજમેન્ટ રૂલ્સ-૨૦૦૦ તથા ભારતીય કોજદારી અધિનિયમમાં દંડની તથા ૬ માસ સુધીની સજાની જોગવાઇ થયેલ છે.

# BY THE DEVELOPMENT COMMISSIONER, GUJARAT STATE, GANDHINAGAR. NOTIFICATION

No. KPV/15/SPN/P.4.-Whereas in the opinion of the Development Commissioner, Gujarat State, Gandhinagar Gangava Village Panchayat in Danta Taluka of Banaskantha District has failed to its primary duties imposed on it under the provisions of the Gujarat Panchayats Act, 1993.

And whereas an opportunity was given to the said Village Panchayat to render an explanation as to why action should not be taken against it under Section 253 of the said Act by giving show cause notice.

And whereas the said Village Panchayat has failed to render any satisfactory explanation against the proposed action.

And whereas the Executive Committee of District Panchayat, Banaskantha has opined to dissolve the said village panchayat vide its resolution No. 18 dated 8/7/2014.

After careful consideration of the records and representations made in this case, I have come to the conclusion that the said Village Panchayat is incompetent to perform the duties and functions imposed on it.

Now, therefore, in exercise of the powers under sub-section (1) of section 253 of the Gujarat Panchayats Act, delegated to the Development Commissioner under the Govt. Notification Panchayat and Rural Housing Department No. KP/ 191 / of / 1994/ DEL/ 1094/ 1246/ J dated 26<sup>th</sup> July, 1994,1, Pankaj Joshi, I.A.S. Development Commissioner, Gujarat State, Gandhinagar hereby dissolve Gangava Village Panchayat from the date of publication of this notification in the Government Gazette. The detailed order analyzing the reasons is issued separately.

PANKAJ JOSHI,

Development Commissioner, Gujarat State, Gandhinagar.

#### Notification

Sachivalaya, Gandhinagar, 13th October, 2014

#### GUJARAT PANCHAYATS ACT, 1993.

No. KP/37/2014/ PRR/102012/796 /KH: In exercise of the powers conferred by section 274 read with section 230 of the Gujarat Panchayats Act, 1993 (Guj. 18 of 1993), and in supersession of all the rules made in this behalf, the Government of Gujarat hereby makes the following rules, namely:-

- 1. Short title These rules may be called the Gujarat Panchayats Allocated Servants Examination Rules, 2014.
  - 2. Definitions In these rules, unless the context otherwise requires ;-
    - (1) "allocated servant" means an officer or servant -
      - (a) who has been transferred to Panchayat under section 175;
    - (b) of Government who has been allocated to the Panchayat service out of the staff transferred to a Panchayat under sections 230;
    - (c) of a Nagar Panchayat who has become an officer or, as the case may be, a servant of a Panchayat under clause (g) of sub-section (1) of section 261;
    - (d) of a village Panchayat who has become an officer or, as the case may be, a servant of a Panchayat under clause (h) of subsection (1) section of 262;
    - (e) of a Panchayat who has been transferred to a Panchayat under clause (l) of sub-section (2) of section 276.
      - (2) "section" means a section of the Act.
    - (3) "Act" means the Gujarat Panchayats Act, 1993 (Guj. 18 of 1993).

3. (1) Examination of allocated servants - If an allocated servant, according to the conditions of service applicable to him immediately before his transfer or allocation to a Panchayat was required to pass any departmental examination prescribed by Government or any other competent authority, the condition of passing such examination and other conditions (including grant of exemption or grant of special chances) ancillary thereto shall continue to be applicable to him notwithstanding his transfer or allocation to the Panchayat:

Provided that the power to hold such examination and to declare the result shall vest in the Gujarat Panchayat Service Selection Board and other power exercisable by any authority under any such conditions shall be exercisable by the Development Commissioner or by the District Development Officer as the State Government may by order specify in that behalf.

- (2) If in respect of any such examination a period has been prescribed for passing the examination and in the case of a servant such period has expired by reason of the fact that no rules for holding such examination were made under section 227 or that no examination under such rules was held, then notwithstanding the expiry of such period such servant may be given such further chances to pass the examination as the State Government may by general or special order, determine and where such servant so passes the examination, he shall be deemed to have passed the examination within the period prescribed therefore.
- 4. Rule, Order, Notification, etc, relating to departmental examination to continue until superseded Any law, rule or notification regulating the conditions of service relating to the passing by an allocated servant of a departmental examination and other matters (including grant of exemption or grant of special chances), ancillary thereto and in force immediately before the date of transfer or allocation of such servant to a Panchayat shall continue to be applicable to him accordingly subject to the modifications contained in the proviso to rule 3, until it is superseded by anything done under the Act.

By order and in the name of the Governor of Gujarat,

U. U. PATHAN,
Deputy Secretary to Government.

#### Notification

Sachivalaya, Gandhinagar, 24th December, 2014

No.KV-211of2014-NPL-4511-2792-Part-V-M: the Thirteenth Finance Commission has recommended that the urban local bodies should put in a place a system of benchmarking for four basic services, i.e. water supply sewerage, solid waste management and storm water drainage. To fulfill the condition of Thirteenth Finance Commission, it is necessary for Municipalities to notify every year the targets with respect to the above services to be achieved by the end of next fiscal year.

The service level benchmarking with respect to the four basic services i.e. water supply sewerage, solid waste management and storm water drainage of corporations and Municipalities for the year 2014-15 are shown in the **Annexure** appended with this notification.

By order and in the name of the Governor of Gujarat,

A. V. SHAH,
Under Secretary to Government.
